CC: abdullah.sadozai@lacity.org

Amy and Ginnia,

I will see you bright and early. On another topic entirely, I want to make sure you are well aware of the work that will be occurring on Selma Ave this summer, beginning June 11th. Pedestrian improvements will be implemented on Selma over the summer, as part of a "Safe Routes to School" project.

I am CC'ing Abdullah Sadozai with the Bureau of Engineering. I believe Abdullah and his team previously met with someone at Larchmont Charter School a while back (2017) but I am not sure who.

Abdullah - please make sure you meet with Amy (executive director) and/or Ginnia (principal) from Larchmont Charter School when you are out in the field next week for your pre-construction meetings. Please make sure they are well versed with all information, construction plans, and timeline. Let me know what you might need from me or our office.

Thank you,

Dan Halden
